

ARTISANAL & CRAFT SPIRITS FROM AROUND THE WORLD

TEELING IRISH WHISKEY

Our resident mixologist Sabrina Cantini-Budden is highlighting unique spirits which she has sourced around the world to create innovative cocktail selections.

In March, enjoy cocktails made with the flagship Irish whiskey from the Teeling family.

Since 1782 the Teeling Family has been crafting Irish whiskey. The latest generation of Teelings has created award-winning whiskey made with hand-selected casks that receive an additional 6-9 months further maturation in ex-rum barrels to impart extra character and a distinctly smooth flavour unique to Irish whiskey.
